

# SAVE THE DATE

Join Waves to Water finalists at Jennette's Pier as they compete for up to \$1 Million in cash prizes.

Events will take place over a 4-week period, including device viewing, in-water testing, and celebratory activities.

## WHEN

March and April 2022

## WHERE

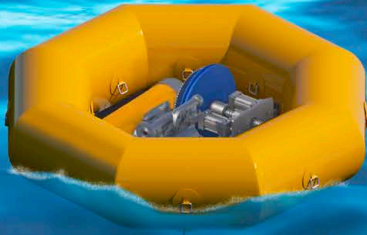

Most activities are open to the public and will take place at Jennette's Pier and the Coastal Studies Institute in North Carolina's Outer Banks, or virtually.

## LEARN MORE

Visit the [DRINK Finale page](#) to learn more about the prize finale and surrounding events, including educational programs, writing workshops, and photography seminars.
